

DANIEL R. MULLER STAFF CONSULTANT

drmuller@engsys.com

Mr. Muller is an electrical and computer engineer with expertise in the design and analysis of electrical and electronic systems, including data acquisition and field inspections. He is proficient in conducting system analysis using computer modeling and participating in utility distribution design projects. His background spans design, calculations, permitting, submissions, and construction support for electric utility transmission and distribution equipment.

Areas of Specialization

Electric Utility Equipment Medium Voltage Systems Electrical Safety

Education

B.S., Electrical Engineering & Computer Engineering, Southern Illinois University, 2022

Certifications

Enrolled Professional Engineer Intern (E.I.T) - License No. 061.041933 FCC Technician Operator Class License

Professional Affiliations

Institute of Electrical and Electronic Engineers (IEEE)

Member

National Association of Fire Investigators (NAFI)

Member

August 2025

Phone: 630-851-4566 | Fax: 630-851-4870 | Toll Free: 866-596-3994

Positions Held

Engineering Systems Inc., Aurora, Illinois

Staff Consultant, May 2025 - Present

ENTRUST Solutions Group, Warrenville, Illinois

Senior Design Engineer, September 2023 – May 2025

POWER Engineers | St. Louis, MO

Electrical Engineer, May 2022 – August 2023 Electrical Design Internship, May 2021 – August 2021

Seminars Attended

National Fire Protection Association 2024 NFPA 70E Standard for Electrical Safety in the Workplace Series
